

Quick Kitty or Small Dog Bed

Materials: Felted Sweater
Scissors
Thread
Sewing Machine
Polyester Fiber Fill

1. Cut off collar if the sweater has one.
2. Turn inside out and sew the neck opening closed.
3. Turn the sweater right side out.
4. Stuff arms. Hand or machine sew the cuffs together.
5. Stuff the body of the sweater as firmly or softly as you like.
6. Gather the bottom of the sweater and hand or machine sew it to keep the stuffing in.
7. Bring the arms around and sew the cuffs together.

Now you have a quick and snugly little bed for your pet.

If you need a felted sweater, let me know and I'll give you one.
